LAC accomplishments since last report:	
Jim Hajny, Executive Director of Montana Peer Network provided Trauma Informed Peer Support Training in Glendive on June 20-21, 2017. Twenty community members attended this training. Advertisement and ad were placed in Glendive Ranger Review.	
Emerging issues identified:	
Glendive has limited resources and transitional services. Community needs to be proactive and working with existing agencies to enhance services.	
Upcoming Events:	
Governor's Conference on Aging- September 12-13, 2017 in Glendive	
Recovery Conference- September 16, 2017 in Helena	
Veteran's Stand Down- September 23, 2017 in Glendive	
Recommendations made by LAC:	
Community needs to be proactive and working with existing agencies to provide services to individuals and families struggling with mental health and co-occurring disorders. We need to invite youth providers to table to discuss transitional services and educate ourselves about youth programs available. Address Hunger in Dawson County and how to help families connect with resources available.
