**LAC accomplishments since last report:**

**LAC continues to invite agency and individuals to attend, work to identify gaps and build on local, state and federal resources available. Updates, trainings and events are sent via email.**

**EMCMH is now providing Chemical Dependency services- Met new staff at today's meeting.**

**Youth Dynamics- Hearts for Hope Project**

**Emerging issues identified:**

**Budget restrictions- Special Session has been called.**

**Provided handouts to share with interested parties who may qualify to participate in Thrive Research Project. This project is supported from MSU's Center for Mental Health Research & Recovery. The purpose of this research is to test the effectiveness of the THRIVE program to help Montanan's decrease the frequency of depressive symptoms and improve their quality of life.**

**HB 333 – Naxolone Standing Order to reduce opioid overdose deaths**

**Be the Difference for Veteran's in November- focusing on veteran and military mental health in November.**

**SAMSHA Capacity Building Opportunity available for Intensive Technical Assistance- deadline is 11/27/17.**

**Mental Health of America Montana is looking for board members and Montana's Warm Recovery line is looking for volunteers.**

**Work with schools, colleges and stakeholders in community to bring the Resilience movie to the community. It is a follow up to ACES training & Paper Tigers Showing.**

**Recommendations made by LAC:**

**Committee will check into CEU for OPI and Mental Health (Joy, Taylor, DeeDee, Bobbie)**

**Coordinate with Cheri LeBlanc to bring Resilience to our community. Planning for May Mental Health Awareness Month.**

**Set up FaceBook page for Local Advisory Council ( Will look at Miles City's page)**

**Look at Baltimore Rock Project & implement in our community. Plan for monthly activities beginning in January 2018.**

**Coordinate with WatchEast and have residents paint rocks (LAC can help with supplies). Pay It Forward.**
