Strategic Planning	<p>Antonia provided an update on the progress of the Let's Talk Miles City club participating in the upcoming community event. Scott and the club gathered rocks and filled the four boxes with rocks. Three of the boxes were delivered to Antonia and one box remains with Scott who will give it to the art class. Scott had asked for ideas on the messages on the rocks and Antonia sent him a link for those from the internet earlier in the day.</p> <p>Discussion was held on the possibility of having a rock painting party at the EMCMHC one afternoon. The Glendive LAC has one scheduled for January 27 at EMCHMC there. Antonia will check with Brenda to see if this is possible for Miles City. Discussion was also held on a public announcement of the awareness event to the MC Painted Rocks Adventure Facebook page. That should be posted soon regarding the April event.</p> <p>Antonia will contact Karl Rosston and Jim Hajny this month for scheduling their presentations in May</p>	Will update at February meeting.	
CNADA	Diana distributed new stalking awareness posters to the members.	Will update at February meeting	
APS Report	Beth Ann reported that the same issues still exist with some of the DD/MI clients she serves and seeks adequate services to meet their needs. She stated that is partly why she is so vested in being a part of the BHLAC to seek solutions so they don't fall through the cracks.		

	Beth Ann reported she is settling in to her home office and the APS office will be officially closed next week. Her supervisor will be present at the APT meeting next week to remove what remains in that office.		
MHFA	<p>Mary Beth Squires reported that there is a surplus balance remaining of about \$1,500 from the grant the hospital received for the Mental Health First Aid trainings. Mary Beth requested that this amount be deposited into the BHLAC's bank account and used to pay for at least three MHFA trainings and per diem for the trainer. The BHLAC agreed that this is a good move in order to preserve the funds to pay for future trainings. Since the BHLAC partnered with Grounds for Change, Mary Beth will receive the signed W-9 from Angie Lohrke, the Chair as the hospital needs the form filled out for their records.</p> <p>Marybeth reported that one Adult trainer for MHFA was trained with these funds. Sharon Humphrey is her name. Her employer was then able to fund the reduced rate for her to complete the Youth version.</p>		
Next Meeting	Thursday, February 1 at 12:00 at HRHC in Conference room 1 st in the HRHC cafeteria, 12-1.
